### Assessment of Materiality

The Company has evaluated the said agreement in accordance with its **Policy on Determination of Materiality** and SEBI LODR Regulations. Upon assessment, it is noted that:

1. The agreement has been entered into **in the ordinary course of business**.
2. The contract does **not result in any change in the general character or nature of business**.
3. The event does **not fall within the ambit of Clause A of Schedule III** (mandatory disclosures).
4. Under Clause B of Schedule III, disclosure of contracts is required only when the same are **not in the ordinary course of business**, which is not applicable in this case.
5. The agreement is **not expected to have any material financial or strategic impact** on the Company.
6. All other terms and obligations are as per the executed ERP Software Service Agreement.

Accordingly, the event **does not qualify as a material event** under Regulation 30 of SEBI LODR. However, since the contract value represents **Exceeds 10% of the Company's latest audited turnover**, the Company has considered it appropriate to make this **voluntary disclosure** in the interest of transparency and shareholder awareness.

You are requested to please take the above on your record and update the same.

Thanking you,
